HB 1033XX	Tobacco Tax	HB1033XX, by Rep. Dennis Ray Casey, R-Morrison, Rep. Kevin Wallace, R-Welliston, Sen. Eddie Fields, R-Wynona, and Sen. Kimberly David, R-Porter, states the provisions of the bill are being enacted under the state constitutional provisions regarding a general revenue bill. The bill imposes an additional \$1.50 per pack tax on cigarettes. . It places limits on the sale of cigarette stamps to wholesalers by the Oklahoma Tax Commission. It creates the State Health Care Enhancement Fund. It changes the taxation of little cigars to mirror cigarettes. It imposes, in addition to other taxes, a 10 percent of the factory list price tax on chewing tobacco, smokeless tobacco and snuff. The bill allocates revenue from the tax on chewing tobacco, smokeless tobacco and snuff prior to July 1, 2019, to the General Revenue Fund and it allocates revenue from the tax after July 1, 2019, to the Health Care Enhancement Fund. It prohibits a retailer from advertising that they will absorb the tax. The bill adds an additional \$0.06 tax to each gallon of gasoline and diesel. The bill allocates revenue from the additional tax on gasoline and diesel prior to July 1, 2019, to the General Revenue Fund and it allocates revenue from the tax after July 1, 2019, to the Rebuilding Oklahoma Access and Driver Safety Fund. . It increases the gross production incentive rate from 2 percent for the first 36 months of production to 4 percent for the first 36 months. The bill provides where the production from a production enhancement project is not commingled with previously existing production within the well for which the project is being conducted, the base production amount will be considered to be zero. It removes references to "workovers." It defines the term "inactive well." It creates the Oklahoma Zero-Emission Facility Energy Tax Act of 2018. It defines applicable terms. It imposes a \$1 per megawatt hour of electricity produced. The bill provides that the tax on wind energy production is in addition to, and not in lieu of, any other taxes or fees currently levied or assessed, or levied or assessed in the future, on each commercial wind turbine in the state which is a zero-emission facility, or any other zero-emission facility. The bill exempts wind turbines with a nameplate capacity of less than 50 kilowatts. It exempts turbines used for home or business power. It establishes payment procedures for the tax on zero-emission wind facilities and apportions the revenue to the General Revenue Fund.
